Digital caption line

Indra OCR port: parity check

This page exercises the detector and the Latin recognizer.
The quick brown fox jumps over the lazy dog, 0123456789.
A paragraph line that is long enough to be read as one line,
and a second one under it with the same shape.

1. Numbered item with a marker
2. Another item with (parentheses) and symbols: $ % & @ #

Table-like cells below:

Name	Value	Note
alpha	12.5	first
beta	7	second
